

Flashdance... What a Feeling

Irene Cara

(Original Soundtrack 1983)

Drum Key

Bass Drum Snare Drum Hi-Hat Crash Cymbal Tom-toms

Ve skladbě jsou výplně na tomtomy. Ty jsou studiově dotočeny, takže hihat, velký buben a malý buben nikdy nepřestávají hrát. Když hrají tomtomy, tento pattern je mnou v transkripci vynechán.

There are tom fills in this song. They were overdubbed in the studio because the hi-hat, the kick and the snare never stop. I have omitted this pattern while the toms play in this transcription.
